Identifying as a student in Nysse Mobiili

- For the student identification, a link for transcript of studies must be retrieved from studyinfo.fi and transferred to mobiilinysse.fi/en/.

- The period of validity of the student identification will be saved according to Studyinfo’s information + 1 month. However, if the studies last for more than a year, the identification is only valid up to the end of August of the following year.

- The student identification must be done again if the studies continue after this. Otherwise, the identification is valid until the indicated day, and mobile seasons can be purchased until the end of the validity.

How to identify as a student in Nysse Mobiili 1/2

To complete the student identification, you must be a registered user. Register/log in to the service according to instructions.

Choose from the top menu Season ticket. Choose the zones and the customer group Student.

The application will ask you to identify as a student if your student status cannot be found from your Nysse-ID. Click Identify and the application will open your browser and direct you to mobiilinysse.fi/en/

Log in to the service and find Benefits from your account information. Click Identify yourself as a Student and you will be directed to strong electronic identification.

Use the strong electronic identification by following the instructions of your bank or mobile ID.

After the strong electronic identification, you will be directed to give a Studyinfo link to the service.

Click Create an Opintopolku link, if you do not have a link created yet. Studyinfo will open in a new tab.

Follow Studyinfo’s instructions, copy the link for your transcript of studies and return to the mobiilinysse.fi/en/ tab.

Updated 4 January 2021
Enter Studyinfo’s link for the transcript of studies to mobillinyse.fi/en/ and click Verify student status.

The service will inform you about the confirmation of the student discount and show you the date of expiry of the discount. Finally, click Save your information and you will be automatically returned to mobillinyse.fi/en/.

Open the Nysse Mobiili application again, choose the payment method and finish the purchase.
